Shirley Adams

"SHIRL" **"A MAIDEN NEVER BOLD; OF A SPIRIT STILL AND QUIET"**

"Horace" always has a smile for everyone. As president of Lambda Tau Sigma she has proved an asset. Shirl is noted for her cooperation and dependability on our play and dance committees. The excellent qualities she possesses have enabled her to be a member of the National Honor Society. It isn't all work and no play with Shirl—not by any means!

William Albano

"COOKIE" **"LOOKIE, LOOKIE, LOOKIE HERE COMES COOKIE"**

"Cookie" is the boy with the ever-present smile and ability to blush. He has a laugh which helps his classmates to forget their troubles; this affliction our friend doesn't seem to have. Jitterbugging is one of his specialties and it might also be said he had hidden athletic talent, which was brought out in the basketball tournament.

Eunice Anderson

"SKIPPY" **"STILL WATERS RUN DEEP"**

Capable, efficient, and always on hand to help you when help is needed—these words fully describe Eunice's character. We all have admired Eunice in her work in our Commercial department. Some employer will certainly get an A-1 secretary when Eunice walks in to take over. We have no doubt in our minds as to the success of the future for you, Eunice.

Usher at Graduation 3; A. A. 4; Senior Play Make-up Committee 4; Magazine Drive Business Manager 4; Year Book Typist 4; National Honor Society 4

Camille Annunziata

"MILLIE" **"HAPPY AS A LARK AND TWICE AS CHEERFUL"**

Camille has followed this motto by cheering us many a day with her ready smile and happy word. She has brightened up many a dull classroom with her gay personality and is always on hand when there is work to be done. Our hearts go with you, Camille, and may we always regard you as our own friend for ever and ever. Best wishes for a happy future.

Dorothy Arsenault

"DOT" **"SKATING THROUGH LIFE"**

Dorothy has a sunny smile for everyone and is always looking around for noise, noise, and more noise. However, she can be very stubborn too. You ought to step into Room 11 sometime and hear her arguing her point in English. In the sport line the art of roller skating fascinates Dottie. On the serious side of the ledger we are sure that some day she will make an efficient secretary.

4-H Club 1; Nurse's Aide 3; Year Book Committee 4; Traffic Squad 1; Usher at Graduation 3

Robert Bartholomew

"LEFTY" **"HAIL TO THE BREEZY, CHEERFUL, HAPPY-GO-LUCKY LEFTY"**

Lefty has the reputation which is envied by the rest of the students, of never taking home his books. He is a great worker but mostly for Brockleman's. We wonder if his ever-present grin and happy-go-lucky manner will rate him a smile from the sergeant in the Marine Corps, for Lefty is ready to take his place in our Armed Forces as soon as graduation is over.

J. Peter Beck

"PETE" "A GOOD TONGUE IS A GOOD WEAPON"

Pete is the industrious man and the orator of Room 14. His oratorical abilities have been proved by his being on the prize-winning debating team while in Maine and taking second place in our Junior Prize Speaking Contest. Third period was a high spot in Pete's day. We wish him success at the University of Alabama.

Edward Benoit

"EDDIE" "RUM AND COCA COLA"

Eddie is one of the more silent members of the Senior Class, but when there is any trouble or work to be done, he is always present. He belongs to the class of seniors who own a car. Lucky Eddie! If you need the "pause that refreshes," stop at the Coca Cola Bottling Company to see him. Whatever the future holds for you, Eddie, good luck!

Science Club 4; A. A. 4; Staff of Class Paper 1

Dorothy Bernard

"DOT" "A SMILE IS THE OIL THAT TAKES THE FRICTION OUT OF LIFE"

One of our nicest commercial girls is Dot Bernard. Her friendliness and ready smile cheer many a downcast soul. Office Methods class would never be complete without her presence. She is a willing worker and one who has taken orders as well as given them. We are sure Dot will be a success in whatever she may do.

A. A. 1, 2; Glee Club 1, 2; Science Club 4

*Best of Luck

Mary Jane Bernard

"BERNIE" **"FOR SHE IS JUST THE QUIET KIND WHOSE NATURES NEVER VARY"**

Mary Jane is one of the quietest girls in our class, with a sweet personality. Her baton twirling has lent a great deal to the atmosphere of our football games. Bernie has broken the silence of many of our classes with her casual remarks. Judging from your efficiency at Beal High we know success will be yours in your new life in Washington, D. C.

Mary Bisceglia

"MEA" **"HER HAIR IS HER CROWNING GLORY"**

Mary's surplus of good looks and personality has been an asset to our class. If you ask her to do anything for you or the class, her response is very gratifying. While you're at it question her about that certain flight officer! Life's her oyster, so success should certainly be hers.

Glee Club 1, 2, 3, 4; School Paper 1; A. A. 4; Sophomore Hop 2; 4-H Club 1; Junior Prom 3

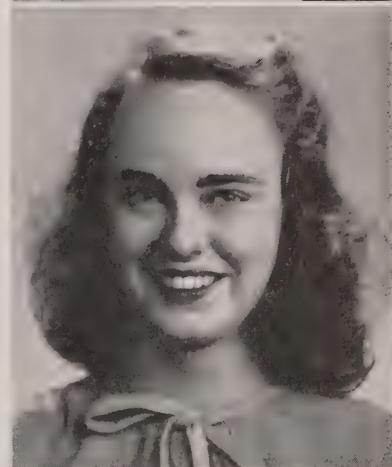

Glenis Bowker

"GLENNY" **"TODAY WE MUST LIVE, FOR TOMORROW WE MAY DIE"**

Looking for a little fun? Well, our Senior Class is never at a loss, not as long as Glenny has anything to say about it! She has made a name for herself by just one word "Hunger!" Ask her some time about that train ride from Lewiston, Maine! Her many abilities have been an asset to the class, for she is a willing worker, and has a great deal of artistic and dramatic talent—to wit the many dramatic performances she has taken part in. Do you remember "Birdie" in the Senior Play?

Madelyn Bryant

"QUEENIE" "PRETTY, PEPPY, POPULAR"

Every class is proud of its Junior Prom Queen and so ours is of Madelyn. Her vivacious personality, love of fun, and easy-winning ways have brought her much popularity. She is a willing worker and is always on hand if there is some decorating to be done. Just look at Ulian's window for a sample of her ability! We know that she will be a success at whatever she undertakes.

Kenneth Bullock

"KEN" "NOISE IS NOT NECESSARY FOR SUCCESS"

Ken is one of the few tall boys of the Senior Class and has a witty personality many shorter boys would like. He displays the advantage of his height on a basketball court and in the crew. Since his initiation into the Hi-Y, Ken has made many friends with his pleasing personality. He also has a good brain, especially along the mathematical line. Kenny knows much and studies little—a good trick for success.

Crew 2, 3, 4; Glee Club 4; Senior Play; Year Book Committee; Military Drill 2; Hi-Y 1

Harold Carruth

"CARROT" "GIVE ME A CAR AND THE WIDE SPACES"

Who's that star translator in the second year Spanish class? Three guesses and the first two don't count. Harry also has driven the teams various places and has been an aid in conveying the coach around in his 1933 Chevie "chariot." We know the reason he had those flat tires on the way to Millbury with his car full of girls. After spending the summer working in Westerley, Rhode Island, Harry expects to take the Navy "Eddy" test for which he has been preparing by going to Trade School.

Rita Cole

"RE" "A DAUGHTER OF GOD DIVINELY SWEET AND MOST DIVINELY FAIR"

"Re" is the life of Mrs. Fipphen's fourth period class. Those friendly little spats with a certain sister member have helped to brighten many a period. There is also a rumor that business is picking up in the men's stocking department of MacInnes emporium. Could it be because "Re" guarantees a smile with every pair of socks?

To Mad. Our chauffeur and
every capable one, too.
Best wishes Betty

Margaret Cook

"SPUD" "SHE WEARS A PAIR OF SILVER WINGS"

If it's music your heart's crying for, Betty is the one to see. Her musical ability in voice and piano is wonderful to hear. As far as dramatic ability is concerned Betty has been one of our leaders, and if there is a good joke roaming around we can always count on Betty to enjoy it or perhaps add one of her own. The only thing that mystifies us is, "Where do you go those weekends?"

Ben Cowley

"BEN" "GIRLS, GIRLS, GIRLS"

Ben is that sparkling blond with the big curl in the front of his head. Girls and school are the only interests he has, but they are enough. As a member of the National Honor Society, he has shown that his studies come first. M. I. T. will receive him after graduation. Good luck as a chemist, Ben.

Peter Cummins *Pete Cummins*

"BOOM BOOM" "WHEN IRISH EYES ARE SMILING"

Pete was a great help in insuring the success of our "Hit Parade" as one of the "blackies." Making the drums "roll out" is one of his interests now—but the chief one is in the Sophomore Class—ahem! Since one of his brothers is in the Navy and the other in the Army, Pete has decided to go into the Marines.—The war should be over soon.

Baseball 3, 4; Basketball 3, 4; Sophomore Hop Committee; Junior Prom Committee; Prison Dance Committee; Star Dust Ball Committee; "Sing Hallelujah"; Glee Club 2, 3, 4; Year Book Committee

Donald Cutting *Best of Luck Cut*

"CUT" "A LITTLE MISCHIEF IS RELISHED BY ALL"

Don is the mischievous lad who is always getting into trouble with his antics, but his community spirit rises to the fore as a member of the Shrewsbury fire department, and that is where he is surely to be found if you are looking for him. He is also the important cog in the operation of the Shrewsbury Community Store. Ambitious, Don is sure to be a success in anything he attempts. The Class of '45's best wishes go to one of its favorite classmates.

Sophomore Social 2; Sophomore Hop 2; Leap Year Dance 3; Military Drill 2; Magazine Drive 2

Jennie D'Agostino *Best Wishes Jean*

"JEAN" "BETTER LATE THAN NEVER"

'Tis Jean with the raven black tresses who leads the boom of the brass drum and the blare of the trumpets. Jean also boasts of two brothers in this man's Navy. She's ready and willing to lend a helping hand to anyone in distress over a dance, class projects, or plays. Various other good traits along with her services were responsible for her being elected to the National Honor Society. Good luck, Jean, be witty, be gay, be as you are and the world will knock at your door.

Richard Dean

"DICK" **"FOR HE'S A JOLLY GOOD FELLOW"**

Although bothered by a leg injury throughout his high school years, Dick has taken part in all sports. His pleasing personality and leadership have made him a favorite in the classroom as well as on the ball field. May he continue to enjoy the success he has attained in sports when he leaves us for Springfield College.

Donald Deming

"DEMING" **"AMBITION LEADS TO SUCCESS"**

Don is one of the mathematical geniuses of the Senior Class and is one of our best students. He doesn't spend all his time studying as he attends most all social functions, especially dances. Don plans to enter Worcester Tech this summer where he will be sure to be a star. His combination of good looks, wavy hair, brains and personality are sure to bring him success.

Sidney Dickinson

"SID" **"QUIET, FRIENDLY, LIKABLE"**

Here's to Sid, our right-hand man when it comes to working on scenery on the stage, or what have you. He is a fellow who will go a long way because of his capabilities and gentlemanly manner. Sid wasn't too well known but we all agree that he's the best there is.

Robert Doyle

"BOB" "MY DREAMS ARE GETTING BETTER ALL THE TIME"

Bob is a boy with many talents; some are even hidden. He's a star athlete with a pleasing personality. It might be because of this he attracts blondes. His I. Q. is very high, but that is one of the surprises. Bob has many fascinating dreams about the future, and perhaps all of them will come true. He once dreamed of having a car, and we all know that came true!

Wallace Dunn

"WALLY" "SILENCE IS GOLDEN"

Wally is the boy with jokes for all occasions. He literally has millions of them. Many a dull home room period is enlightened with Wally's jokes which he gets from all corners of the earth. After the war he hopes to settle down and run a chicken farm of his own. His immediate plans are to join the Coast Guard next fall. Smooth sailing, Wally!

"Yes, Jayne with her ready smile and ability to make us laugh has livened up many a dull class; she tells us she's headed for Washington, D. C. Well, Janey, wherever you go we know it will be in the right direction, and we know you will be welcome with opened arms. Best of luck always.

Elsa joined us in her Senior year from the High School of Commerce. We were happy to welcome her and hope her stay with us was a pleasant one. She has made many friends in a short time. After graduation she intends to go into training as a nurse at one of the local hospitals. A life of service is a worthy one, Elsie.

John Fipphen

"FIP" "SPEAK SOFTLY BUT CARRY A LARGE REFERENCE BOOK"

Jack is a quiet, industrious National Honor student. He was the mainstay of the Debating Club and a member of the winning team which captured the banner at the National Forensic League held in Lewiston, Maine. Jack had a grand time telling us of his experiences at Pratt & Whitney in East Hartford last summer. His plans are to carve a career for himself in meteorology. Good luck to you, Fip, at Clark!

John Flynn

"JOHNNIE" "NEVER SAY DIE"

John has long been admired for his pleasing personality and athletic ability. Coach Bergstrom will certainly miss his scrap on the baseball diamond, football field, and basketball court when John graduates and joins the Navy. Everyone will remember his excellent stage managing during the Senior Play, his oratorical offering in Dramatics, and last but not least his character sketch of Henri in the Junior Play. Success is yours in anything you undertake.

Richard Green

"MICKEY" "NEVER A DULL MOMENT"

"The joker" is a name which could be well applied to this effervescent youth. "Never a dull moment" is the motto which he succeeds in living up to. Mickey also has a way about him to inveigle good marks from the teachers. How do you do it? In class functions, too, he has always been prominent and in his efficient business manner he has been mighty helpful. If show business ever needs another winner, Mickey's destined for weeks of engagement.

"HOLLY" "A LITTLE BIT INDEPENDENT"

Everyone knows Holly, the star athlete of our class. If anyone wants anything done, and done efficiently, he knows just where to go. Holly's wit has amused us through our school years. One of the most popular and versatile girls of our class, she will succeed in anything she undertakes.

Raymond Harlow

"RAY" "DOT—DOT—DOT—DASH"

Our class has always believed the motto—"A good man is always a leader"—especially when we chose Ray as our president for two consecutive years. Ray is one of those rare fellows who have everything that it takes—good luck, personality, intelligence, leadership, cooperation, and ever so many more good qualities. If anyone doubts this, ask a certain Junior who knows him well. To top all this, Ray can ski down Bennett's hill without falling (sometimes). Good luck, Ray. We know you'll be a success because of your excellent qualities.

Madelyn Haskell

"MAD" "TALL, TAN, AND TERRIFIC"

Sportsminded with a capital "S"—that's Mad. She was one of our outstanding athletes and was captain (a very able one) of our basketball team. Madelyn has the distinction of being the tallest girl in our class and every inch of her a lovely person—friendly, helpful, and dependable. With these qualities, what's to prevent our "Mad" from becoming very popular and successful in the world?

Lucy Hastings

"LU" "JUST AN ALL-AROUND PAL"

Lu's middle initial should stand for "Manager" rather than Mae. She's had the brains and initiative to manage the production of our class plays and scores of activities. Her abilities are unlimited—scholastic genius, sports fan and participant, National Honor Society secretary, and many other duties which make her indispensable and a friend to one and all. Boston University will open its doors to her in the Fall. Lucky B. U.!

Carolyn Hatch

"CE" "LOVELY TO LOOK AT, DELIGHTFUL TO KNOW"

"Ce" hails from New York and has caused quite a sensation in our class with her blonde loveliness. Ask the boys about that if you want reassurance. Carol is a secretary, and what a secretary! She has a sweet personality, but we pity anyone who opposes her! As someone once said, "She is like a volcano that suddenly gives off blasts of unexpected fury." But "Ce" even with her temper has got "what it takes" to succeed, and our best wishes and good luck go with her wherever she may be.

"PHYL" "YOUR WORK IS YOUR BEST ADVERTISEMENT"

No, Phyllis isn't so shy and quiet as everyone thinks she is. During shorthand period you'll often hear her say, "Miss Nelson, want to hear a cute joke?" Phyllis is an excellent Commercial worker, and her election to the National Honor Society proves her worth. Good luck in the future, Phyl.

Evelyn Jobes

"EVIE" "TIS OUR FAIR ETHIOPIAN BEARING GIFTS"

Jobes has been one of our best actresses. She made us all laugh with her portrayal of Asthma (a Negro maid) in the Senior Play. With such talent Jobes will undoubtedly be a success. May you always be as nice as you have been in the past.

Small, fair with a sunny disposition—that's Charlotte. Her charming personality has found her many a friend, but she has her witty side as the Commercial department will testify. With a laugh and a cheerful word for everyone, Charlotte will certainly come out on top. Look out, Texas, here she comes!

Paul Kotseas

"PAULY" "LIVE AND LOVE THEM ALL"

A jovial man is Paul with that ever-present smile. He is the sort of person who does many favors, asking nothing in return, a virtue possessed by very few. Paul "the car" Kotseas (have you seen his beautiful car?) has a number of women admirers. At present, however, he hasn't turned his heart in their direction, for his motto is "Live and Love them All." Smooth sailing in the future, Paul.

Irene LeBlanc

"I" "A MAID WITH QUAIN AND QUIET WAYS"

The neatly dressed, stylish blonde called "I" has been very thorough in all her work, being neat and accurate. It might be said that she has ushered at a great many plays and last year's graduation. Her quietness sometimes shows her to be pondering over her school problems. One would never find "I" in an argument. For sports she prefers the sidelines, but in dancing and music, oh, that is different! Her ambition to join the Cadet Nurse Corps was inspired by her love of nursing when she was a nurse's aide. We wish you luck whether as manager of a store or soothing some fevered brow.

"PROF" "A MIGHTY SPIRIT TELLS HIS LITTLE FRAME"

"The little professor" is the genius of our class. His ability to orate on almost any subject extemporaneously is a source of amazement to all of us. His talent was given a test in Lewiston, Maine, when the Prof. came through with flying colors in debating. WPI is the college where he wants to study for the future in math or radio.

Bill is the Don Juan of the class. One of his many accomplishments is his revolution of all types of dancing. "Come on fellows," was Billy's famous cry on the football field, and it certainly proved advantageous too if you'll just look at our football record. Sure and with your winning smile and personality, there is no doubt but what you will succeed. May you conquer your dreams.

"SHORTY" "SMALL BUT MIGHTY"

Has anyone seen June? Oh, there she is! I thought she was lost. When you search for her, look thoroughly for she is the shortest girl in our class. Don't let your lack of height hinder you from success, because after all Veronica Lake isn't even five feet tall. June has followed her sister's steps—serving sodas after school hours—one coke coming up! We don't know what she plans to do after high school, but our best wishes go with her whatever it is.

Although Melvin has been considered one of the quietest boys in the class, this hasn't been a handicap to him. Mel with his strong, silent character and well-tailored clothes has been the idol of many feminine eyes. If you could only see him horseback riding. Wow! He hasn't made any post-graduation plans, because Uncle Sam has obligingly made them for him, but we all know that whatever you do, Melvin, you'll do it successfully and earnestly. If you continue as you are, you'll make out O."Kay."

Ed is quite a walker, too, having a mail route of his own. However, he still manages to get good marks, which many of us wish we could do. Class History

Although you, our parents, may not realize it, this assembly is a far cry from the usual Monday morning gathering with which we begin each week of school. Miss Copeland, as you notice, is paying no attention to the time, for today, no limit has been set on the length of this meeting. You see no students casting furtive glances at text books in preparation for their class. You see no Bob Lerner trying to locate a lost French book. You see no Miss Churchill struggling with attendance. This is the last meeting of the Class of '45 save for graduation. Yes, this is a very unusual assembly. And why shouldn't it be, for today is our Class Day.

Now, in the midst of the festivities of the day, I am called upon to dust off old records, brush away mental cobwebs, and review the past four years in the class history.

In September, 1941, we broke the last ties of allegiance with our grammar schools and entered the portals of Shrewsbury High School, 86 strong. As soon as we reached the school, we were sent, more or less directly, to this very auditorium, and here, our principal, Mr. Cooke, spoke a few words of encouragement to his bewildered audience. We were then assigned

to home rooms and given schedules. Although many suffered broken bones, there were no fatalities when freshmen went through the door of the principal's office. The rest of the year was spent in getting acquainted with the faculty and school customs.

In '42 we returned as Sophomores, one year wiser, one year better acquainted with Beal High. During the year we entered in great numbers into athletics, activities, and the P.M. room. Our class was enlarged by the arrival of the Sophomores from Calvin Coolidge School. To march on successfully, we needed leadership and thus, under the supervision of our two worthy class advisers, Miss Donelan and Mr. McGinn, the election of class officers was held. Jack Townsend became our first president; Raymond Harlow, vice-president; Shirley St. Onge, secretary; and Glenis Bowker, treasurer.

The first activity of the year was the Sophomore Social at which everyone became acquainted. Between eating, dancing, and wolfing, everyone had a wonderful time. Mr. McGinn certainly had the ideas to get the party started! We were very sorry to lose him in our Junior year.

April was a big month in the infinite schedule of the Sophomore. Everyone who went to the Sophomore Hop truly knows what a good time is—and as for the decorations, the white fences with yellow jonquils, the garden scenes with birds and flowers—even the upperclassmen admitted it was the most successful dance ever put on at the school.

Our Junior year marked the real beginning of activities. Under the supervision of Mr. Larrabee, a demolition squad was organized to clean up after explosions in

the lab. Miss Lothrop replaced Mr. McGinn in the arduous task of directing our class activities. Much to our amazement our 7:45 Stomp, Harvest Dance, and Leap Year Dance (which many attended for the obvious reason) went over with a bang! Because of the success of our many dances, and also the success of our "hard to see and hear" movies, which were attended by those students who felt better watching vague shapes than watching the teacher pass out the test papers, our treasury never lacked necessary funds. Class elections were held in October. Raymond Harlow, Barbara Hall, Glenis Bowker, and Barbara Morton were elected as president, vice-president, secretary, and treasurer, respectively.

Many from the Dramatics Club participated in our two plays, "The Christmas Tree," and "Don't Take My Penny" (will we ever forget the hen?) which were outstanding in acting and presentation due to the excellent coaching of our own Miss Churchill. In the annual Junior Prize Speaking Contest held in May the audience was amazed by Mortie's "I'm coming, John," Shirley's "Molly, Molly!", Ray's cute form, George's accents, Glenny's middy blouse, and Pete's suspense. Glenny won first prize; Pete won second prize; and Shirley won honorable mention.

The success of our Junior year culminated in our Junior Prom. We considered it the best ever put on, as every class does. Nee Hall became a show-boat skippered by Bessie May of the class of '46. Morty Gould's orchestra furnished music from the bridge. What a prom! We'll never forget it!

Seniors! How we enjoyed that feeling of being up in the world! We started our

Senior year by trying to find a good play. Shirl Adams, Ray, Pete, and Smallie wouldn't want that task again we are quite sure. After two months of desperate searching, we decided upon "Girl Shy." Remember Forrest's Brooklyn accent, Holly's scream, Glenny's "oh, cripes," Kay's lace, Arthur's fidgets, George's calmness, Jobsie's color, Billy's guitar, Ray's technique, Jackie's costume, Shirley's "oh, oui," and Smallie's acting? That was a play!

The Prison Party (originated by the one and only Dick Green) was quite the dance with its stage show and refreshments. Our President, dressed up as one of the Andrews Sisters, was the leading attraction with the Mills Brothers (Cummins, Dean, and Beck) running a close second. And that joke, Billy! Realizing our Senior year was fast coming to a close, we presented a movie and a final dance to earn money for graduation expenses. Since we have always been more or less original we decided to present a formal Senior Ball. We transformed Nee Hall into a night club, "The Star Dust Room," with tables and waiters. Donald Cutting agreed to act as head waiter (tipping was allowed). Al Hixon (Ray's cousin) and his orchestra were tops. Our last dance was a success!

In this history it was impossible to mention all those who have served untiringly on the various teams and in various organizations. I have skimmed the surface and presented it to you. Now we go forth, unafraid, and firm in our resolves, confident that our education at Shrewsbury High has armed us to meet the uncertainties of the future, whatever they may be, with success.

GLENIS BOWKER, *Class Secretary*

Class Will

We, the class of 1945, of the Major Howard W. Beal High School in the town of Shrewsbury, and the Commonwealth of Massachusetts, on this fifteenth day of June, being of normal health, reasonable judgment, and of fairly good memory, do hereby declare this to be our last will and testament.

We bequeath our properties as follows:

To Mr. Sturtevant we bequeath two dozen "glad" bulbs, which can double for golf balls until planting time.

To Mr. Cooke we leave another "cute" replacement when "Marge" is married.

To Miss Donelan and Miss Lothrop, our advisers, we leave a bottle of aspirin, and a glass of water will be left by the Junior Class.

To Miss Churchill we leave a class which doesn't need any grammar lessons.

To Mr. Blanchet we leave a French class without debates.

To Miss Copeland we leave an extra

week at the beginning of school so she can get in all the assignments left over from the year before.

To Mrs. Bell we leave permission to use Carnegie Hall for those mass productions by the Glee Club.

To Miss Wilson we leave an automatic time clock for all the late comers.

To Miss Mager we leave a shoe stretcher —heaven knows why!

To Mrs. Hamel we leave an automatic chicken feeder so she will not have the trouble of feeding the chickens when she'd much rather paint trays.

To Miss Nelson we leave a type class that will not look at the keyboard.

To Mrs. Fippen we leave some more subsidies to add to her worries.

To Mr. Cole we leave a pile of permanent shop slips.

To Miss Drinkwine we leave a junior or two to take home at noon.

To Miss Prouty we leave a round-trip ticket to Canada and all points north.

To Mr. Bowker we leave a large closet to store the valuable work of his pupils.

To Mrs. Nordstrom we leave another class which appreciates her as much as our Trig class does.

To Miss Parks we leave a soundless victrola so she may entertain her class certain periods.

To Mr. Bergstrom we leave gym exercises for pupils who could learn to love conditioning.

To Miss Chase we leave a suit of armor plate for wear on the golf course.

To Mr. Hamel we leave a physics class which is as attentive as ours.

To Miss Sawin we leave a larger file cabinet for her "seads" of maps.

To Mrs. Dawson we leave a picture of Herman, Jr. for her desk.

To Mr. Carr we set aside a day for rest—Lord knows he deserves it.

To Mr. Connelly we leave a smile from all the girls in the morning.

To Miss Mulholland we leave the last available alarm clock.

To Mr. Larrabee we leave all our lab aprons that we never used so he can give them to the next class.

To the boys of the Junior Class we leave a current *Esquire*, to be left at Hale's each month so that the boys may read without incurring the wrath of the proprietor.

To the Class of 1955 we bequeath a new school with a separate gym and assembly hall.

To the Freshmen we leave the memory of our brilliant example and hope they realize how high they have to climb.

To the Sophomores we leave a chance to earn their fame in the Dramatics Club and Forensic League.

To the Juniors we leave a senior year as happy as ours.

The following Seniors, for known and unknown reasons, bequeath their traits and characteristics:

Shirley Wiles and Shirley Adams leave their bottle of never-fail friendship oil to the Junior girls.

Betty Cook leaves her ability as a pianist to Joyce Ireland.

To the National Honor Society we leave a new song.

Jimmy Mathieson leaves his original manuscript, "How to Be Easy in Three Funny Lessons," to Curtis Merrill.

Dick Dean leaves word that "It was a hard fight, Pa, but I made it!"

Bob Doyle leaves his blinders provided by N. B. to Dickie Adams. May they be as effective!

Barbara Hall leaves her athletic prowess to Barbara Burns.

Shirley St. Onge leaves her acting ability to Elinor Paul.

Mary Bisceglia leaves her reputation for the pretty hair to Nancy Bath.

Billy Maguire leaves his roaming nature to Jack Ducat (and who says women are fickle?).

Donald Deming leaves his mathematic ability to Dick Flynn.

Ray Harlow, generous soul, leaves his entire treasure to the Junior Class.

Pete Beck leaves his gift of crooning to Wayne Greene.

Barbara Morton leaves her ability to say the wrong thing at the wrong time to some unfortunate Junior.

We, the Class of 1945, declare this to be our last will and testament witnessed by these three honorable personages:

CLASS SONG

By

BARBARA MORTON

Tune: "Faith of Our Fathers"

Our high school days have come to an end;
We must move on and leave our friends.
In thy learned halls we've been content;
Here many happy hours we've spent.
Strong our devotion—strong and true;
Our loyal hearts we pledge to you.

And as the years pass quickly by,
Oft times our thoughts with longing will fly.
Back to the days we shared with you
To your fond memory we will be true.
Our Alma Mater—Shrewsbury High,
Your fame to all we proudly cry.
